UTK is NOT for Sale!

Our Governor would like to sell our entire state to one corporation – Jones Lang Lasalle/JLL out of Chicago.

And he wants to sign a contract by April 28.

MONDAY, APRIL 24

NOON @ TORCHBEARER

COME OUT FOR:

Our campus – ALL Facilities workers are part of the core mission of our University

Our jobs – Despite the lies about protections, we know our jobs are at stake with this threat

Our community – This campus is a community, and is part of the larger Knoxville community

Our economy – These jobs and the existing contracts with local businesses support the Knoxville economy

Our democracy – The shadowy process and Executive overreach of this outsourcing is a disgrace to our state

Co-sponsored by: UTK Progressive Student Alliance, UTK American Association of University Professors, & Jobs with Justice of East TN
